When an umpire isn't available for games:

In the case that an umpire isn't available for any reason to umpire a game, it will be the responsibility of both teams to umpire their game. It's recommended that there is a designated umpire from each team helping to make calls throughout the game. For more information please contact Shorty Vasquez or Joe Compston. We apologize for any inconvenience this may cause.

If the game has a scheduled umpire, they are the sole decision maker for that game.

General Info & League Rules

1. The Casper Recreation Division shall coordinate the CRLA league play. All league related questions should be directed to the Casper Recreation Center, 1801 East 4th, 235-8383, during normal business hours.
2. The team and 12 player roster minimum/ Liability Release Form for the 2022 season are due *at the Casper Recreation Center*. **Complete information including name, email addresses, phone number and 12 signatures must be submitted to register a team.** Checks should be made payable to the CASPER RECREATIONAL LEAGUES ASSOCIATION (CRLA). **Due to the number of teams, it is advised to register prior to the deadline to avoid waiting in line.** Registration is currently open. Players will be added to rosters only when they provide a signed, completed Liability Release Form.
3. The minimum age for participation is 15 years of age. **Players are allowed to play on only ONE team within a league.**
Leagues offered are:
 - a. Men's Slow Pitch
 - b. Women's Slow Pitch
 - c. Coed Wood Bat League
 - d. Coed Aluminum Bat League-Competitive divisions only
4. Slow pitch teams must have at least 9 players on the field to start the game. There shall be no grace period. **GAME TIME IS FORFEIT TIME. For the 6:00 p.m. game only – if a team**

has a minimum of 7 players, the game will start. If the team does not have 9 players on the field by 6:10 p.m., the game will be considered a forfeit. If a team plays the game with 9, the 10th spot in the lineup shall be an out. If the team drops below 9 the game shall be forfeited. Any team that forfeits a game as a result of not enough players, improper attire, or misconduct will be fined \$50.00. *The \$50.00 forfeit fee can be avoided by informing the Recreation Coordinator, (307) 235-8388, of the need to forfeit no later than 12:00 p.m. on game day.* In the event the forfeit fee has not been paid before the team's next scheduled game, that team faces disciplinary action by the Board including forfeiture of the games and possible exclusion from the league. Forfeit fees must be paid at the Casper Recreation Center, Monday-Friday, during operating hours. Any team that forfeits four (4) games during the regular season shall be declared ineligible to participate in the City Tournament. Teams experiencing extenuating circumstances and wishing for an exception to this rule may solicit the CRLA Board in writing at least one week prior to the tournament.

5. **Player Protests – The responsibility for allowing “illegal” player(s) does not lie on the umpire. During the plate meeting, the umpire will ask each manager to declare if their players are legally on their team roster. An illegal player needs to be identified *before* the first pitch.**

***The definition of an illegal player is a player who is not on the roster of the team on the field or is on a roster for a different team.**

Once identified, the umpire will warn the team manager/representative that the team may not use the illegal player and they will be removed from the game as a player. If the team's line up falls below the 9-player minimum to continue, a forfeit will be declared by the umpire. If the team is shorthanded after removing the protested player, an out will be declared for the missing player when their turn at bat comes up. As a reminder, **players can only be rostered and/or play on one men's or women's team and one coed team.** If the team continues to have validated player protests it will result in the illegal player and/or the offending designated manager/representative

being suspended for the next two games and the applicable \$50 fines for each or possible expulsion for the remainder of the season.

6. If a player wishes to change teams once the season has begun, he/she must submit a written request to the Recreation Division. Once granted, the player making the request and both teams involved will receive, in writing, permission to make the roster change. No change will be made otherwise. Switching teams after the regular season has ended is not permitted. Teams are allowed to make additions to their rosters until the date of their last regularly scheduled game. Roster additions will not be allowed after this deadline without a written request supplied to the Board and approval from the Board.
7. CRLA extra hitter rule – optional for men and women’s teams. Teams electing to utilize an extra hitter must notify the umpire prior to each game. The manager may bat as many players as he/she carries on the roster and play any 10 players in the field. Once the game has started, no more players can be added to the batting line-up, but they may be used as substitutes. If a player leaves or is injured and no substitutes are available, his/her team must take an out in that player's position in the batting order even if they are using an extra batter(s). However, if a player is ejected and no substitutes are listed on the batting order, his/her team will forfeit the game.
8. **Courtesy Runner** – Any eligible players that may participate on offense or defense are on the official line-up including available substitutes may be used as a courtesy runner. A courtesy runner may be used once per inning. In Coed Divisions, two courtesy runners are allowed, one male and one female, must be of the same gender. ***A courtesy runner whose turn at bat comes while on base:*** A.) The player who the courtesy runner is running for will be called out. B.) The courtesy runner will be removed from the base and take their turn at bat. C.) A second courtesy runner or a substitute is not permitted at this time. **NOTE:** *Should an injury or disqualification occur and no substitutes are available, the courtesy runner must be used as a substitute and take the place of the injured player. Should the courtesy*

runner be on base and is entered as a substitute, the player for whom the courtesy runner is running must run in their place.

9. Rainy Day Policy - In the event of threatening weather or questionable field conditions, managers will be notified through TeamSideline.com. Managers will receive immediate postponement notifications via email/text message. ***When in doubt, assume that the games will be played and report to the fields.*** Make up dates will not necessarily be on the same day as regular league play. Managers are responsible to communicate with their team on any cancellations during the season.
10. Incomplete Games – Any game ending early due to inclement weather or other unforeseen circumstance, **will be replayed at the time that the game ended with same line up.** if a) Less than 4 ½ innings have been completed; or, b) Less than 5 innings have been completed and the home team is behind.
11. Makeup schedules and other information will be posted online. Be sure to notify the Recreation Coordinator, (307) 235-8388 if your team's manager changes, moves, or has a contact info change.
12. The **only** time that games will be rescheduled will be as a result of inclement weather, poor field conditions, or if a team is traveling out of town to participate in a tournament. **Two weeks advance notice in writing** must be submitted to the Recreation Coordinator if traveling to a tournament conflicts with scheduled games. Requests for tournament travel reschedules will not be considered with less than two (2) weeks' notice. Rescheduled games will be played according to field availability at the end of the season or other dates available.
13. Protests related to a *misapplication of the rules* must be announced to the umpire according to USA rules and followed within 24 hours with a written statement and a deposit of \$50 to the Casper Recreation Center. This rule will be enforced beginning June 13th, 2022, at which time, teams not in the prescribed uniform shall spot the opposing team one run per player out of uniform at the time that player enters the game (one run awarded per player per game). Having more than 3 players out of uniform will result in a forfeit. Proper shoes must be worn by all participants. USA Softball Rule 3 – Equipment- G. – Shoes. **Metal or steel cleats are not permitted.**

15. **Run Rules and Time Limits** – 20 runs after 3 innings
15 runs after 4 innings

16. **Homerun limits:** All men’s and women’s leagues - Each team will be allowed three (3) more over the fence homeruns than their opposition; all others are outs. Coed leagues - Each team will be allowed one (1) more over the fence homerun than their opposition; all others are outs. See USA Rules Supplement.

17. Stealing bases in league and league tournament play is not permitted.

18. Any player who is ejected must leave the field and the vicinity **immediately** (sight & sound). If a player is ejected during the first game of a double header, he/she is ineligible for the second game of that set plus the first game of the next scheduled double header. There is a **\$50 fine** for being ejected per the Player Code of Conduct. The \$50 fine must be paid at the Casper Recreation Center no later than 12:00 p.m. (noon) of the day the ejected player wished to play. A player who has been ejected is not permitted to be present at any of his/her games while ineligible.

Failure to comply will result in his/her team forfeiting the game (applicable forfeit fees apply).

Note: Managers will be held accountable for their teams' players. Umpires may inform a manager to aid in calming their player(s) down before the umpire decides to eject the player(s). If the umpire ejects the player(s) and in the opinion of the umpire the manager did not aid in the calming of their player(s), the manager will be fined \$50 also. The \$50 fine must be paid at the Casper Recreation Center no later than 12:00pm (noon) of the day the manager's team is scheduled to play. Failure to comply will result in their team forfeiting the game.

19. If an umpire hears any person using extreme profanity (the "F" word in any context) is an **automatic ejection**; the umpire is required to eject the offender immediately. The offender must leave the vicinity (sight & sound) **immediately**. Failure to comply will result in a forfeit. Applicable ejection and forfeit fees apply.
20. If in the umpire's judgment, a player deliberately takes out another player, the offender shall be immediately ejected and his/her further participation in league play is subject to review of the CRLA Board of Directors. Teams may not elect to play short after an ejection. Applicable ejection and forfeit fees apply.
21. Appeal of a Suspension – If a player is suspended for a violation of the CRLA Code of Conduct, that player may appeal the suspension. To appeal a suspension, the player must provide a written statement and submit a deposit of \$50 to the Casper Recreation Center. A meeting with CRLA board members will then be scheduled to hear the player's appeal. The \$50 deposit will be returned only if the appeal is valid and the suspension is overturned.
22. All teams are registered with USA Softball. USA Softball rosters may be delivered to the Casper Recreation Center, 1801 East 4th Street Casper, WY 82601. Teams participating in any State Tournament must properly complete and submit a USA Softball roster form.

25. When getting set in the batter's box, a batter is prohibited from performing any action that removes or redistributes dirt in a way that will create a hole in the batter's box. **1st offense: Warning; 2nd offense: Batter will be called out.**
26. USA Rule (Bats) – Equipment: The official bat shall have a safety grip of cork, tape (no smooth plastic tape) or composition material. The safety grip shall not be less than 10 inches long and shall not extend more than 15 inches from the knob end of the bat. Resin, pine tar or spray substances are permissible on the safety grip only.

27. **RULES SPECIFIC TO COED PLAY ONLY**

- a) Only Official Softball Wooden Bats will be allowed for men in Wood Bat League. Women may choose a wood bat or a legal metal bat. Teams CANNOT use wooden bats made for baseball. Only U.S.A. approved bats will be allowed in the Aluminum Bat League. Any bats found to be altered will be confiscated and the player will be suspended for the maximum penalty. Applicable ejection fee applies.
- b) An 11-inch ball for female batters and a 12-inch ball for male batters will be used during all co-ed games. A 200 foot restraining line for all outfielders/all batters will be used until the ball is hit (penalty-batter has option to hit again).

If a male shows up after the game has started and his team is playing with 6 females, he may substitute into the line-up and bat in a spot in the order so that the team is alternating sexes.
