2021 Adult Coed Volleyball League

Team Managers,

This year due to COVID-19 each team will need to follow the guidelines provided by the State and our local Health Department. Below is the list of guidelines each player and team will need to follow.

Adult Coed Volleyball Season

- This proposal would meet the current state guidelines for groups of no more than 50. For Adult Coed Volleyball, this is adjusted to provide space for 15 players with 1 official per court.
- No spectators will be allowed in the gym at any time.
- Teams will need to leave the gym immediately after the game is over. The incoming teams may enter the gym once the previous teams have vacated the area.
- Teams must maintain social distancing when entering and leaving the facility.
- No congregating outside the gym lobby after the game is completed.
- Each team will be required to hand sanitize before each game, hand sanitizer will be provided for your protection.
- Face coverings are required for staff.
- After each game, the gym supervisor will sanitize each volleyball before the next game starts.
- We recommend that players do not share equipment or personal items with teammates.
- Team meetings must honor the social distancing requirements.

We understand there are many new requirements for this season. If the State and local Health Department requirements change, we will implement a new/modified plan for our program. We appreciate your understanding and support.
