- b. Each team will be awarded 3 timeouts per game with one timeout allowed in each overtime period. Any timeouts remaining at the end of regulation play will not carry over for the overtime period. One overtime period will be played in the regular season to determine a winner. If a winner has not been determined after one overtime period, that game will result in a tie. Overtime periods will be played until a winner is determined in tournament play.

- d. Game time is forfeit time! Sorry, **NO EXCEPTIONS**. Teams must have 4 players in uniform to start the game in the 5v5 league. A forfeit fee of \$50.00 will be assessed to any team that forfeits a game for any reason without notification to the Casper Recreation Center Coordinator by 12:00 noon the day of the game. This fee must be paid before that team's next scheduled game or the team will not be eligible for the season ending tournament.
- e. Players are allowed 5 personal fouls per game...at that point, they are fouled out.
- f. Dunking is prohibited during practice, warm-up, time-outs and halftime (**administrative foul**).
- g. The basketball furnished by the CRLA shall be the official game ball.
- h. After a time-out called prior to a shooting foul, the clock will start when the **ball is put at the disposal** of the shooter unless such event occurs during the last 2 minutes of the game.
- i. Foul shooting: Non-shooting players may enter the lane upon the release of the ball during foul shots. **Once the 7th team foul is given, opposing teams will get 2 shots at the free throw line.**
- j. Team managers are responsible for the conduct of players and spectators associated with their team. ONLY TEAM MANAGERS MAY DISCUSS RULE INTERPRETATIONS WITH THE OFFICIAL. Official's eyesight and judgment are not an issue of discussion.

- k. Substitution is allowed only during a stopped clock situation after checking in with the scorekeeper and being beckoned by an official.

3v3 League Rules

- a. The site supervisor will be responsible for starting the game clock at the beginning of the game. Teams must keep track of their own score and will be responsible for submitting the score to the site supervisor upon the conclusion of the game. Games will be played to a total of 80 points, or 45 minutes, whichever comes first. The first team to score 80 points or those leading at the duration of 45 minutes will be declared the winner. Half time will be 3 minutes. All games will be running clock with **NO** stoppages for any reason other than time out or injury. Site supervisors/league representatives will have the final determination on any disciplinary or other rule dispute in the 3v3 league.
- b. Each team will be awarded 3 timeouts per game with one timeout allowed in each overtime period. Any timeouts remaining at the end of regulation play will not carry over for the overtime period. One overtime period will be played in the regular season to determine a winner. If a winner has not been determined after one overtime period, that game will result in a tie. Overtime periods will be played until a winner is determined in tournament play.
- c. At least 10 minutes before scheduled game time, each team shall supply the scorekeepers (site supervisor for 3v3 league) with numbers of all team members listed on the score sheet. **PLAYERS MAY ONLY PLAY ON THE TEAM THEY ARE ROSTERED ON. NO EXCEPTIONS!**
- d. Game time is forfeit time! Sorry, **NO EXCEPTIONS**. Teams must have 3 players to start the game in the 3v3 league. A forfeit fee of \$50.00 will be assessed to any team that forfeits a game for any reason without notification to the Casper Recreation Center Coordinator by 12:00 noon the day of the game. This fee must be paid before that team's next scheduled game or the team will not be eligible for the season ending tournament.
- e. Players are allowed 5 personal fouls per game...at that point, they are fouled out. Players must keep track of their own fouls in the 3v3 league.
- f. Dunking is prohibited during practice, warm-up, time-outs and halftime (**administrative foul**).
- g. The basketball furnished by the CRLA shall be the official game ball.
- h. If the game is tied at the end of regulation time, a 2-minute overtime period will be played until a winner is declared. As similar to regulation, the clock will not stop in overtime.
- i. Players may enter the game upon any dead ball in which both teams have the opportunity to make a substitution.
- j. Teams will shoot free throws to determine first possession. The first team to make a free throw vs the other team missing a free throw will get the ball. The same rule applies to any overtime periods.
- k. After a made basket, the ball will be taken out underneath the hoop, inbound, and must pass back over the 3-point line before being shot. The same rule applies to fouls and out of bounds. (i.e.: if a player is fouled, then that player's team will inbound the ball from the baseline or sideline.) If the ball is turned over but stays in bounds, the stealing team must take the ball behind the 3-point line before attempting an offensive move. If a shot attempt fails to contact the rim and is rebounded by the defense, the defense must take the ball behind the 3-point line before attempting an offensive move. No over and back will be called, out of bounds will still be considered the half court line.
- l. Offensive players will call fouls. Defensive players may call a foul, but the offensive player must agree.
- m. There will be no free throws in the 3v3 league. Upon any fouls or violations below the free throw line, the ball will be taken out underneath the basket. Fouls or violations committed above the free throw line will be taken out on the sideline anywhere above the free throw line.
- n. Stalling or deliberate attempts to freeze the ball will result in a loss of possession. Each team will be required to take a shot at the basket within 20 seconds after taking possession. This rule has been implemented to eliminate a team from stealing to regain possession near the end of the game.

ATHLETIC LEAGUE REFUND POLICY

TEAM ENTRY FEE

Planning for athletic leagues is extensive. Not only do facilities have to be secured for a defined length of time, but also divisions have to be drawn up and the length of the season (number of games, etc) has to be determined before the actual game scheduling begins.

Much of this is done on projection based on the number of teams from the previous year. However, the final organization and scheduling (which is the most time consuming) doesn't begin until the deadline for submitting entry forms has passed.

If a team drops out at this point, it will affect the division draws that have already taken place. To have to re-draw divisions or to back up and have to reschedule a division is costly and time consuming.

Teams should be careful that they would have enough players before they pay their entry fee. When they pay their entry fee, they are making a commitment to field a team and should be responsible for upholding that agreement.

Once the deadline of Sunday, November 3, 2024 has passed, NO REFUNDS SHALL BE GIVEN.

Code of Conduct

The CRLA expects all athletes, coaches/managers, officials/umpires and spectators to hold themselves to high standards of sportsmanship. Officials/Umpires and game management are there to help ensure fair play and provide a positive experience for everyone. Please treat all accordingly. In keeping with our mission, the CRLA expects all players, coaches, referees/umpires and spectators to maintain self-control at all times while remaining positive and showing respect for your team, opponents and officials/umpires at all times. As a participant in CRLA Leagues, it is your responsibility to uphold and enforce the Code of Conduct including the following:

2) No player(s) shall at any time refuse to abide by an official's decision, use obscene gestures or language, be guilty of an abusive verbal attack upon any player, official or spectator, or use unnecessary tactics including those against the body or person of an opposing player. The "f" word will result in an automatic ejection. Officials/Umpires are required to suspend such player(s), who must leave the facility, immediately from further play and report such player(s) to the Recreation Supervisor of Sports. If during tournament play, the player(s) is not eligible to compete in the balance of the tournament.

3) If a legally rostered player participates illegally on another team, the illegal player will be suspended for 2 games and must pay \$50 to be reinstated. If a team utilizes an illegal player, the game will be declared a forfeit and the team must pay the \$50 forfeit fee in order to continue league play.

4) An ejected player is ineligible for all CRLA sanctioned play for two games and he/she must pay CRLA a \$50.00 fine prior to playing again. The \$50.00 fine must be paid by 12:00 pm (noon) of the date the ejected player is eligible to rejoin the league. The \$50.00 fine will carry over to the next year if it has not been paid.

5) No player(s) shall possess alcohol, drugs or be under the influence of such. Softball: No player(s) shall smoke tobacco products on the field of play (within the fences or dugout).
