TIPS FOR CHOOSING YOUR TEAM'S DIVISION (This is *only a tool to help you* select appropriately): It's helpful if teams play on a recreation league- **D1-5 Competitive/Intermediate**, and **D6-8 Novice**.

Competitive – Knowledge of the game, ability to implement offensive and defensive strategies (5-1, 6-2, etc). Teams have two or more hitters and a decent setter/s.

Intermediate – Knowledge of the game, a somewhat effective setter and at least one fairly consistent hitter. Teams have an idea about offensive and defensive strategies but don't necessarily carry them out effectively on a consistent basis. Most players serve overhand.

Novice – Teams don't know how to carry out game strategies or bump, set, spike consistently. No one on the team played college volleyball. No jump serves

***AT LEAST 4 TEAMS MUST REGISTER FOR A DIVISION TO RUN.**
