TIPS FOR CHOOSING YOUR TEAM'S DIVISION (This is *only a tool to help you* select appropriately): It's helpful if teams play on a recreation league- **D1-5 Power and Semi-Power, D6-10 Recreational.**

Power – Knowledge of the game, ability to implement offensive and defensive strategies (5-1, 6-2, etc). Teams have two or more hitters and a decent setter/s.

Semi-Power – Knowledge of the game, a somewhat effective setter and at least one fairly consistent hitter. Teams have an idea about offensive and defensive strategies but don't necessarily carry them out effectively on a consistent basis. Most players serve overhand.

Recreational –Teams don't know how to carry out game strategies or bump, set, spike consistently. No one on the team played college volleyball. No jump serves.

*AT LEAST 4 TEAMS MUST REGISTER FOR A DIVISION TO RUN.
